

Acknowledgments

This report represents the contributions of many people. We want to thank current and former members of the SWAN Board of Directors: Deb Liggett, Joe Fowler, and Steve Frye (ANIA/KATM); Anne Castellina and Jeff Mow (KEFJ); and Joel Hard (LACL). We acknowledge the contribution of current and former members of the SWAN Technical Committee, including Troy Hamon, Tammy Olson, and Joe Miller (KATM); Shelley Hall, Mike Tetreau, Ian Martin, and Jeff Troutman (KEFJ); Colleen Matt, Judy Putera, and Penny Knuckles (LACL); and Page Spencer (NPS-ARO) and Karen Oakley (USGS-BRD).

Many other park staff and NPS-Alaska Regional Office staff assisted by assembling information or attending meetings, including Bruce Giffen, Joel Cusick, Blain Anderson, Nancy Deschu, Terry DeBruyn, and Janis Kozlowski. We thank the many guests from other agencies and universities who attended and participated in scoping workshops. Special thanks to Alaska Region I&M Coordinator Sara Wesser for the many roles she played in assisting this Network. Finally we thank network staff Amy Miller and Laurel Bennett for helping to assemble appendices and reviewing and commenting on earlier drafts of this report.

We extend our gratitude to Steve Fancy and his staff for providing leadership and support for this and other I&M networks at the national level.
